HOW MUCH LONGER MUST I WAIT, PISSARD!?

RUMBLE

Forgive me.... Dark King.

I encountered some unexpected interference...

WHEN ALL SEVEN OF THOSE STONES ARE GATHERED TOGETHER, I WILL BECOME IMMORTAL. AND THEN MY DARK ZONE WILL DOMINATE UNTIL IT COVERS EVERY CORNER OF EVERY WORLD!

IN ORDER TO SURVIVE, I NEED THE "POWER TO CREATE ALL THINGS" WHICH COMES FROM HAVING THE PRISM STONES.

I DO NOT WANT TO HEAR SUCH EXCUSES!

from the Legendary Warriors of the Garden of Light...

Heh heh heh.

B-By all means, I will achieve results ...

DO NOT FORGET THAT, PISSARD.

I HAVE MANY SUBSTITUTES FOR YOU.

You were given a chance, so you should go and put your life on the line.

I don't know who this enemy is, but isn't your level just too low?

You're weak, weak!

No matter how many times you try, the result will be the same... If it's impossible for you, then you should just give up.

MY DESTRUCTION IS YOUR DESTRUCTION.

MY IMMORTALITY IS THE DARK ZONE'S IMMORTALITY.

DARK KING!!

ONE MORE... JUST GIVE ME ONE MORE CHANCE!

?!

TAKE BACK THE TWO REMAINING STONES THAT THEY RAN AWAY WITH WITHOUT EXCEPTION!!

PISSARD, THIS IS YOUR LAST CHANCE!!

OTHERWISE, YOU WILL DIE!!

RUMBLE

Mipple!

Mepple!

KUH

What kind of place is this Garden of Light?

could you hurry up and tell us the rest?

Since we already know that you're all lovey-dovey,

You know ...

Flowers were always in bloom in the Garden of Light, and it was very, very beautiful-mepo!

All the inhabitants of the Garden of Light were full of courage, hope and had justice in their hearts.

Haa.

Just like para-dise, huh?

HAND OVER THE PRISM STONES!!

Now that you mention it, that guy...

Prism Stones...

Everything was protected by the power of the seven Prism Stones of the Garden of Light-mepo.

The life of the stones have the power to create all things-mipo.

But then one day...

Their name was "The Dark Zone"!

Evil things came from somewhere and began to eat the Garden of Light-mepo!

And they managed to eat five of the seven prism stones-mipo!!

Then we were exposed to the danger of our own destruction, so the Garden of Light's Queen and elders...

took the two remaining stones and entrusted them to Mipple, the Princess of Hope, and me, the Chosen Hero, Mepple, and had us escape to the Garden of Rainbows here-mepo.

So the Earth is called the Garden of Rainbows, is it?

And only the Legendary Warriors with Power of Light, Pretty Cure can do that -mepo!!

Therefore, you have to protect us from the Dark Zone-mepo, so all worlds can be saved...

If they get all the stones, then the Garden of Light will be swallowed by darkness and perish not to mention the Garden of Rainbows, too-mipo.

I just wanna enjoy a normal school life!

Whaaaat!? So we have to fight again!?

But that guy will come again -mipo.

HMPH

Aren't you exagger-ating?

...Even so,

it was fate that we were given the power of light...

Besides ...

it seems kinda interest-ing.

WHAT!?

Yuki-shiro... I don't even know you that well.

They are where we put the Prism Stones-mipo.

SEE?

Our tails are Impor-tant--mepo!!

Don't touch-mepo!!

Anyway, you have weird tails...

They're really close, aren't they?

They're doing it again.

Mepple!

Mipple

That's the power of love-mepo!!

KISS チュッ KISS チュッ

I was able to meet Mepple again-mipo.

We got sepa-rated when we escaped, but,

You're such a pretty young lady.

Whaaat!? ...Ah, I-I'm pretty...

No, I'm nothing like that... Heh heh heh...

Sorry to be a bother.

This is my class-mate, Misumi Nagisa.

No no, welcome to our home.

Y-Yes, Grand-ma.

Honoka.

Hurry up and hide!

POOF

It's been a long time since Honoka has brought a friend over, you see.

She's always reading books by herself.

Isn't that okay? Because I do like them.

Ho ho ho! Nagi-sa...

please take care of Honoka, okay?

G-Grandma, we're busy...

Oh my, They what go to- are gether, they don't !? they?

Ah... t- they're...

...What was that all about...

Though I guess it's not all perfect...

Yukishiro... she lives in a different world, doesn't she...

Nagisa!! We gotta get back to Honoka's house-mepo!!

Whaat!? Again!?

I... I have a bad feeling-mepo...

I'm worried about Mipple so it can't be helped-mepo...

Nagisa, aren't you worried about Honoka-mepo!?

You know... even though you and Mipple are like that,

Yuk-ishiro and I are not.

We don't have business there, so we can't go how often we like.

We'll be fine-mepo. Because Mipple and I are deeply in love.

NAGISA, YOU INSENSITIVE THING-MEPO!!

HEY NOW !!

Even if he does say that...

Let's go home now.

Heh heh heh. How pathetic.

You can't even transform by yourself.

If you quietly hand over the Prism Stone, then I will spare your life.

Why are you trying to steal something I care greatly about by force!?

だだだだ TAP TAP TAP

THAT IS ABSOLUTELY WRONG!

SO ALL YOU CARE ABOUT IS YOURSELF !?

WHOOSH

And the Dark Zone's immortality is my immortality...

The Dark King's immortality is the Dark Zone's immortality...

I WON'T ALLOW YOU TO DO AS YOU LIKE TO THIS WORLD!

I WON'T GIVE IT TO YOU !!

So hand over the Prism Stone !!

I'm just doing what I have to do.

Then... I have no choice.

Be-cause You see,

to Yukishiro, that's her world.

What ?

She went to the library ...?

RUFF RUFF

Nagi-sa!!!

I sense Mipple's in a tough spot-mepo!!

KYAA

BOOM

Hono-ka!!

Yoto CATCH

WITHOUT YOUR POWERS, I CAN DO ANYTHING TO YOU!!

If you think you are right, then prove it.

UGH

I'll never accept it...

...You're wrong!

MISUMI!!

WAIT JUST A MINUTE!!

Let's have some fun.

Heh heh heh.

it's wrong to take people's things without permis-sion!!

No matter what you say,

MIPPLE, I'VE COME TO SAVE YOU -MEPO!!

MEPPLE!

The power of love?

Yukishiro, the power of love is amazing, isn't it?

NOW, TRANSFORM AND COME AT ME WITH ALL YOUR MIGHT.

SWISH

VRROOOM

Black!! Are you okay-mepo!?

Ugh...

White!! Stay strong!!

Hang in there-mipo!!

YOU EITHER WIN, OR LOSE !!

WHITE ...

Ugh ...

You can't take care of others and act like a hypocrite, so beg for your lives.

Is that the extent of your power!?

BOOOM

What's wrong?

THAT'S WRONG!!

THIS ISN'T A JOKE!

GRIP

!!

?!

Aren't you only trying to save yourselves!?

Whoever begs for mercy first shall be spared.

If that is the case, then what will you do?

Heh heh heh.

But... that's why we protect each other.

We're opposites, but...

WHITE THUNDER!

BLACK THUNDER!

GRIP

THIS!!

PRETTY CURE MARBLE SCREW!!

CRACKLE

HE STOPPED THE MARBLE SCREW !?

WHA AAAT !?

SO YOU SHOULD BE QUIET AND ACT IN ACCORDANCE TO WILL OF THE DARK KING!!

NO MATTER HOW MUCH YOU RESIST, YOU ONLY EXIST TO BE SWALLOWED BY THE DARK ZONE!!

NOW, KNEEL BEFORE ME AND HAND OVER THE PRISM STONES!!

EVERYONE IS TRYING THEIR BEST TO LIVE, TO LIVE UNDER-STANDING AND RESPECTING ONE ANOTHER! SO TRYING TO CONTROL EVERYONE BY HOLDING THEM DOWN WITH FORCE...

DON'T LOOK DOWN ON US!

GRIP

THAT'S ABSOLUTELY WRONG!!

WH...

WHAA AAT!? I-I'M A FOOL...

UWAAAA
